

# Australian Maritime Digest

The Australian Maritime Digest is compiled by the Australian Association for Maritime Affairs and published monthly for the benefit of the Australian maritime community.

**Why not advertise in the *Australian Maritime Digest*! Your advertisement would reach right into the heart of the maritime community and be seen by those who would be most interested in your organisation, its events and its products.**

The *Australian Maritime Digest*, a monthly newsletter produced by the Australian Association for Maritime Affairs, circulates to more than 14,000 readers in all fields of maritime endeavour, including the Royal Australian Navy, shipbuilders and repairers, shipowners, operators and agents, port authorities, stevedores, ferry companies, recreational sailors and fishers, environmental interests, government departments, etc. etc.

Advertising rates are very reasonable and are based on AUD300 (+ GST within Australia) for a quarter page ad in one issue. Larger ads cost more, smaller ads cost less, and there is a reduction where the material appears in more than one issue.

Back issues of the Digest may be found on the Australian Association for Maritime Affairs web site at <http://www.aama.asn.au/page/?pid=37>.
